* * * SUMMARY ANALYSIS * * *

The Summary Analysis section reflects information in D&B's file as of December 26, 2005.

RATING SUMMARY

The Rating was changed on June 23, 2005 to reflect a change in the company's worth. This change placed their worth in a different "Estimated Financial Strength" category. The "3A" portion of the Rating (the Rating Classification) indicates that the company has a worth from \$1 million to \$10 million. The "2" on the right (Composite Credit Appraisal) indicates an overall "good" credit appraisal. This credit appraisal was assigned because the payment information in D&B's file indicates that this company's obligations are retired satisfactorily and because of D&B's "good" assessment of the company's December 31, 2004, fiscal financial statement.

Below is an overview of the company's D&B Rating(s) since 06/17/97:

* Accounts are sometimes placed for collection even though the existence or amount of the debt is disputed.

* Payment experiences reflect how bills are met in relation to the terms granted. In some instances payment beyond terms can be the

result of disputes over merchandise, skipped invoices etc.

* Each experience shown represents a separate account reported by a supplier. Updated trade experiences replace those previously reported. Amounts may be rounded to nearest figure in prescribed ranges.
